

Charles Williams Primary School

Blended Learning Tools

- ❑ Go to www.google.com
- ❑ Click sign in and enter your school username & password.
- ❑ Click on the 9 squares in the top right-hand corner.
- ❑ From here you can access all the tools.
- ❑ Google Classroom will be the main platform to access work, assignments and communicate with your teacher.

- ❑ Go to <http://hwb.gov.wales>
- ❑ Click login and enter your Hwb email address and password.
- ❑ Click on the menu button with 9 squares next to it
- ❑ From here you can access all the resources.
- ❑ Just2easy is on Hwb which has lots of simple tools to complete a whole range of work, there is also a great spelling and times tables game.

Mathletics is a fantastic resource to rehearse and consolidate Maths skills. All teachers set tasks on Mathletics that link to skills recently taught. These can then be checked by the teacher. Doing 20 mins of this every day is recommended. All pupils have their own login.

Go to: <https://login.mathletics.com/>

Flipgrid is great to record videos of completing work, reading, rehearsing oracy skills and giving presentations. Children should login using their school Google account details.

Go to: link on your child's Google Classroom

Teach your monster to read is particularly useful for Foundation Phase pupils when learning phonics and reading. If your child's teacher is using it already they will share any login details with you. It is also free for the duration of school closures. Go to: www.teachyourmonstertoread.com/

Reading Eggs is another resource for supporting and developing reading and comprehension skills. Your child will have a login with books and comprehensions assigned to them.
